## **Asolo Rep is Seeking Applicants for its Annual High School Arts Journalism Program; Applications Due December 15**

### **WHAT:**

Asolo Rep is currently seeking applicants for its annual high school Arts Journalism program. Helmed by Asolo Rep and *Sarasota Herald-Tribune* Theater and Television Critic Jay Handelman, this special program offers direct access to theatre artists in multiple roles, the opportunity to write about theatre, tickets to a variety of performances, and invaluable pre-professional experience for a select group of high school students.

### **WHO:**

Asolo Rep seeks students in grades 9-12 who will bring curiosity and an appetite for analysis to each workshop session; in return Asolo Rep provides a rigorous immersion into the artistry at Asolo Rep and the world of arts reporting.

This opportunity is ideally suited for writers who want to develop clear and compelling communication for a specific audience, for theatre fans who want to see professional artistic work up-close-and-personal, and from multiple points of view, and for students who are interested in asking questions and reflecting thoughtfully about what they learn.

### **WHEN:**

Programs sessions run January-April 2016

### **WHERE:**

Various meeting spaces at Asolo Repertory Theatre and the Sarasota Herald-Tribune

### **HOW:**

Submission deadline is December 15, 2015
