Asolo Rep Proudly Announces Partnership with The Mall at University Town Center's Seasons 52 Restaurant

Asolo Repertory Theatre is proud to announce its partnership with Sarasota's brand new Seasons 52 restaurant in The Mall at University Town Center in Sarasota, set to officially open on Thursday, October 16.

Seasons 52 selected Asolo Rep as its charity partner and will present the theatre with a \$2,500 check on Wednesday, October 15 at a special pre-opening luncheon hosted for Asolo Rep's patrons at the restaurant.

"The Mall at University Town Center and Seasons 52 are exciting additions to our community that reflect Sarasota's continued economic growth," said Linda DiGabriele, Asolo Rep's managing director. "Asolo Rep is thrilled to partner with and welcome this fantastic new restaurant."

Asolo Repertory Theatre, Florida's premier professional theatre, is one of the most important cultural forces in the Southeastern United States. A center for theatrical excellence, Asolo Rep stages up to 15 productions every season, spanning a diverse repertoire of newly commissioned plays, bold reinterpretations of contemporary and classical works, and provocative new musical theatre experiences.

Seasons 52 is a fresh grill and wine bar featuring a seasonal menu and an award-winning wine list. Inspired by the fresh appeal of the farmer's market, Seasons 52 uses ingredients at the peak of ripeness to highlight what's good now. Through rustic cooking techniques like oak-fire grilling and brick-oven roasting, Seasons 52 creates dishes that are naturally lighter. From signature flatbreads and Mini Indulgence desserts to an international selection of 100 wines, including more than 52 offered by the glass, there's always something new to discover at Seasons 52.
